The City's independent auditor Piercy Bowler Taylor & Kern ("PBTk") recently completed a review of the document entitled, *"Mulligan's Golf and Games Net Cash Inflows (Outflows) Year Ended June 30 Cash Basis"*. A copy of a letter from PBTk to the City ("Letter") was posted on the City's website, along with a statement purportedly released by the City Council entitled, *Independent Auditors Releases Final Review of Mulligans Golf and Games Statement of Net Cash Inflows (Outflows)*, the evening of October 30, 2014.

The statement was removed from the City's website October 31, 2014 as it had not been reviewed and voted on by the City Council as a body. As part of the November 18, 2014 City Council meeting the Council may consider whether to publish an official statement. The Letter from PBTk is again posted for public review on the City's website.

The City appreciates the public's interest in general, and the interest by South Jordan residents specifically, on the issue of Mulligans and invites all interested to review the online information related to Mulligans, and to attend future meetings involving Mulligans.

Respectfully yours,

Mayor Dave Alvord
